RESPONSE TO NON-COMPLIANT AMENDMENT

Sir:

Further to the notice of non-compliant amendment mailed March 3, 2005, applicant herewith submits the text of the cancelled claims as requested by the office action. Applicant would like to clarify that the February 22, 2005 response which is the subject of the notice of non-compliant amendment cancels these claims, which according to 37 CFR 1.21(h) and the cited office flyer, indicates that the text of cancelled claims are not to be reproduced. Nonetheless, in an overabundance of caution, and in responsiveness to the office action, applicant herewith resubmits the amended claims section in entirety, including the cancelled claims in strikethrough form as required by 37 CFR 1.121. Accordingly, entry of the preliminary amendment and the revised claims herein is respectfully requested.
